The Calico Cat Charles Miner Thompson 2021-02-11 Solomon has hated the Calico Cat ever since he bought the house in Ellmington and he has tried his very best to drive her away, but with no luck. As he tries once more to get rid of the cat, he triggers a vicious series of events that ends with lies, the arrest of a boy, and a guilty conscience. Charles Miner Thompson (1864-1941) was an American author and journalist, who worked as an editor at the Youth's Companion, a children's magazine that ran from 1827 to 1929. Thompson is mostly remembered for his "The Calico Cat," but he also wrote other novels such as "The Nimble Dollar," "An Army Mule," and "Miss Wilkins: An Idealist in Masquerade."

Good Enough to Dream Roger Kahn 2000-02-01 Roger Kahn's first major league hit was a grand slam: The Boys of Summer, his runaway bestseller that immortalized the 1950s Brooklyn Dodgers. Now Kahn does the same for players whose moment in the sun has not yet arrived. Good Enough to Dream is the story of his year as owner of the Class A, very minor league Utica Blue Sox. Most of the Blue Sox will never make it to the majors, but they all share the dream that links the small child in the sandlot with the bonus baby who has just smacked one out of the stadium. It's a dream Kahn learned from his father and, in the course of a season, passes on to his daughter's hours of practice for a moment of poetry; a hard living but a touch of legend. Good Enough to Dream presents baseball unadorned, a game still sweet enough to lure grown men to leagues where first-class transportation is an old school bus and the infield is likely to be the consistency of thick soup. It is a funny and poignant story of one season and one special team that will make us hesitate before we ever call anything "bush league" again.

His Woman, His Child Beverly Barton 2011-07-15 NINE MONTHS... Hank Bishop had given Susan Redman the greatest gift—the baby her husband hadn't been able to give her. The Coen Brothers, Second Edition Ronald Bergan 2016-01-05 Brought completely up to date, this insightful biography remains "a must for any self-respecting Coen fan" (Screentrade). This fully updated edition of the first biography of the Coen Brothers includes their complete work so far, from Blood Simple to Inside Llewyn Davis (2013), with a reassessment of their remarkable career as a whole. Joel and Ethan Coen have pulled off the ultimate balancing act. Despite having their movies financed and distributed by major studios, they have managed to remain true independents, rejecting commercial clichés and never giving up on their own fiercely idiosyncratic vision. While doing so, they have established themselves among the world's leading filmmakers. From their startling debut, Blood Simple (1984), all of their movies reveal a distinctive stamp: a flamboyant visual style, richly conceived characters, crisp dialogue, and brilliant casting. They have revitalized old Hollywood genres such as noir, screwball, and the western, giving them a contemporary sensibility. In this biography, Ronald Bergan traces the brothers' Jewish roots, their beginnings as film geeks in suburban Minneapolis, their battle to get their first feature made and released, through their early features and the movies of their maturity. He gives blow-by-blow accounts of the making of each movie. New chapters cover all those released since O Brother, Where Art Thou? (2000), with which the first edition of this book ended.

Shanghai Literary Imaginings Lena Scheen 2016-12-15 This book draws on a wide range of methods—including approaches from literary studies, cultural studies, and urban sociology—to analyse the transformation of Shanghai through rapid growth and widespread urban renewal. Lena Scheen explores the literary imaginings of the city, its past, present, and future, in order to understand the effects of that urban transformation on both the psychological state of Shanghai's citizens and their perception of the spaces they inhabit.

Some Men's Dreams Eileen Dreyer "A rich, remarkable read." — RT Booklovers SHE HAS NO TIME FOR LOVE Dr. Gen Kendall has paid too high a price to let anything get in the way of her dream. In one month she'll be a full-fledged doctor. She just has to impress her chief of staff, Dr. Jack O'Neill. She impresses him, all right. With one swing of a softball bat she puts him in his own hospital and changes both of their lives forever. HE HAS NO TASTE FOR LOVE A widower with a 12-year-old daughter, Jack hopes this move to Chicago will signal a new life for them both. He doesn't plan on finding himself literally at the feet of one of the most compelling women he's ever known. He certainly doesn't expect her to turn his life upside down when she recognizes something in his daughter that could well break his heart. Is love enough to see them through, especially when it means that not just Jack but Gen must face the ghosts of their pasts to save his little girl

Most Likely To Die Beverly Barton 2007-02-01 Three New York Times bestselling authors join forces to create a thrilling novel of love, revenge, and the deadly secrets shared between women. It's been twenty years since the night Jake Marcott was brutally murdered at St. Elizabeth High School in Portland, Oregon. It's a night that shattered the lives of Lindsay Farrell, Kirsten Daniels, and Rachel Alsace. Each of them loved Jake in their own way, and none of them will ever forget that night—a killer will make sure of it. As the twenty-year reunion approaches, all sorts of preparations are being made—including a few surprises. And for some alumni, very special invitations have been sent: their smiling senior pictures slashed by an angry red line . . .

Dreams and Dead Ends Jack Shadoian 2003-01-16 Dreams and Dead Ends provides a compelling history of the twentieth-century American gangster film. Beginning with Little Caesar (1930) and ending with Things To Do In Denver When You're Dead (1995), Jack Shadoian adroitly analyzes twenty notable

examples of the crime film genre. Moving chronologically through nearly seven decades, this volume offers illuminating readings of a select group of the classic films--including *The Public Enemy*, *D.O.A.*, *Bonnie and Clyde*, and *The Godfather*--that best define and represent each period in the development of the American crime film. Richly illustrated with more than seventy film stills, *Dreams and Dead Ends* details the evolution of the genre through insightful and precise considerations of cinematography, characterization, and narrative style. This updated edition includes new readings of three additional movies--*Once Upon a Time in America*, *Things to Do in Denver When You're Dead*, and *Criss Cross*--and brings this clear and lively discussion of the history of the gangster film to the end of the twentieth century.

Dark Dreams 2.0 Charles Derry 2009-12-21 Greatly expanded and updated from the 1977 original, this new edition explores the evolution of the modern horror film, particularly as it reflects anxieties associated with the atomic bomb, the Cold War, 1960s violence, sexual liberation, the Reagan revolution, 9/11 and the Iraq War. It divides modern horror into three varieties (psychological, demonic and apocalyptic) and demonstrates how horror cinema represents the popular expression of everyday fears while revealing the forces that influence American ideological and political values. Directors given a close reading include Alfred Hitchcock, Brian De Palma, David Cronenberg, Guillermo Del Toro, Michael Haneke, Robert Aldrich, Mel Gibson and George A. Romero. Additional material discusses postmodern remakes, horror franchises and Asian millennial horror. This book also contains more than 950 frame grabs and a very extensive filmography.

Navy Blue J.M. Stenfors 2014-06-23 In 1943 the United States is engaged in a global, life-and-death struggle with Germany, Japan, and Italy. Widespread fighting draws American men into the armed services, leaving a shortage in the country's workforce. Women find themselves in roles normally reserved for males. WAVES—Women Accepted for Voluntary Emergency Services—forms to integrate females into the Navy and to fill the workforce gap. Navy Blue follows four young recruits as they leave their civilian lives behind and struggle to adapt to the regimented life in the U.S. Navy. Honing her skills for management as a protégée of an industrial genius, practical Lou Matteson finds herself the leader of a diverse crew of young women. Martha Jo Stuckey, the wild child of a poor ranching family, clowns her way through life. Her unfailing good humor makes the military bearable for her friends. Wealthy Eleanor LaFrance leads the privileged life even as she rebels against it. A loner by nature, Eleanor finds she needs friends to survive in an environment that demands teamwork. Shy, naïve Katherine Anderson faces disappointment and betrayal by the men in her life. Her mates, providing encouragement and kindness, stand by her side. Together they form a solid sisterhood allowing them to thrive in a man's world. A tale of three unforgettable years in the lives of four young women, Navy Blue narrates the story of times when the world balanced between good and evil and speaks to the power of women and the endurance of the human spirit.

Tell Me It Was Just a Dream Mary Gant Bell 2019-05-27 It's been said that everything can change in an instant. Valerie Walker can testify to this. One day her idyllic life was consumed with the mundane tasks involved with being a mother of three active children and the wife of the mayor. From one breath to the next, all of that changed. Now Valerie struggles to salvage the shattered pieces of her life. But where does she begin? Her mother's heart wants to comfort her husband and children. Unfortunately, their very survival must take precedence over luxury. If Valerie and her husband cannot keep everyone alive, there's no point in soothing their souls. Will they survive this tragedy, this shocking surprise? If they do, will they be able to rebuild the peaceful lifestyle they all enjoyed before the catastrophe uprooted them from their tranquility? Or will this disaster tear them apart?

The Living Age ... 1848

Die Tradition der Weisheit John Noyce 2016-02-22 Mit dieser ersten Übersetzung des dritten Bandes aus der Serie „History Enlightened (Erleuchtete Geschichte)“ legt John Noyce einen qualifizierten Überblick auf mehr als 2.000 Jahre umfassende Einzelüberlieferungen spiritueller Tradition der Weisheit in Europa vor. Er beschränkt sich nicht nur auf traditionell als religiös charakterisierte Arbeiten, sondern bezieht sich auch auf Werke von Dante Alighieri, William Blake, Nicholas Roerich oder Johann Wolfgang von Goethe – um nur die bekanntesten zu nennen. Die Bezeichnung „Göttin“ auf die Qualität der Weisheit an sich anzuwenden, stützt für John Noyce nicht nur die für europäische Denkweisen eher ungewöhnliche Vorstellung von „einer Göttin, viele Manifestationen“. Besonders im Westen kann man die Weisheit auch als den vernachlässigten weiblichen Aspekt des männlich geprägten Gottesverständnisses verstehen, der unter unterschiedlichen Namen wie Sophia, Philosophia, Sapientia, Natura oder das Ewig-Weibliche mit Rat und Tat zur Seite steht. Die Ergebnisse des Autors lassen es nicht vermessen erscheinen, dieses Göttlich-Weibliche mit dem Heiligen Geist als mütterlichen Aspekt der christlichen Dreifaltigkeitsvorstellung gleichzusetzen. Die angeführten Beispiele belegen nicht nur, wie das Göttlich-Weibliche im Großraum Europa wahrgenommen und verehrt wurde, sondern verweisen auch auf ein bevorstehendes, neues Zeitalter im Zeichen des Advents dieses Prinzips. Das Buch offenbart einen in der europäischen Geschichte verborgen liegenden, gemeinsamen Schatz, den es lohnt, zu Tage zu fördern. Es ist ein Muss für jeden informierten und an Selbst-Erkennung interessierten Leser. Weitere Informationen zur leicht überarbeiteten, zweiten Auflage dieses Bandes und anderen Ausgaben aus der Reihe "History Enlightened (Erleuchtete Geschichte)" finden Sie auf www.erleuchtete-geschichte.jimdo.com und www.lulu.com.

Rethinking the Power of Maps Denis Wood 2010-04-16 A contemporary follow-up to the groundbreaking *Power of Maps*, this book takes a fresh look at what maps do, whose interests they serve, and how they can be used in surprising, creative, and radical ways. Denis Wood describes how cartography facilitated the rise of the modern state and how maps continue to embody and project the interests of their creators. He demystifies the hidden assumptions of mapmaking and explores the promises and limitations of diverse counter-mapping practices today. Thought-provoking illustrations include U.S. Geological Survey maps; electoral and transportation maps; and numerous examples of critical cartography, participatory GIS, and map art.

Cry Wolf Wilbur Smith 2018-01-01 They recognised in each other that same restlessness that was always driving them on to new adventure, never staying long enough in one place or at one job to grow roots, unfettered by offspring or possessions, by spouse or responsibilities, taking up each new adventure eagerly and discarding it again without qualms or regrets. Always moving onwards - never looking backwards. The wartime race to save a country . . . When Jake Barton, American engineer, teams up with English gentleman and hustler Gareth Swales to sell five battered old Bentleys in 1930s East Africa, neither of them could have imagined that they'd soon be attempting to smuggle the vehicles into Ethiopia to support the war effort, in return for a huge reward. But to do this, they'll have to manoeuvre past several extremely hostile European forces, as well as managing their feelings for Vicky Camberwell, the beautiful journalist who has been sent with them to report on the brutal violence of the Italian invasion of Ethiopia. The three adventurers are about to discover that some battles are more than they can handle . . . An action-packed adventure, set in 1930s Africa, from global bestseller Wilbur Smith

After Hitchcock David Boyd 2010-01-01 Alfred Hitchcock is arguably the most famous director to have ever made a film. Almost single-handedly he turned the suspense thriller into one of the most popular film genres of all time, while his Psycho updated the horror film and inspired two generations of directors to imitate and adapt this most Hitchcockian of movies. Yet while much scholarly and popular attention has focused on the director's oeuvre, until now there has been no extensive study of how Alfred Hitchcock's films and methods have affected and transformed the history of the film medium. In this book, thirteen original essays by leading film scholars reveal the richness and variety of Alfred Hitchcock's legacy as they trace his shaping influence on particular films, filmmakers, genres, and even on film criticism. Some essays concentrate on films that imitate Hitchcock in diverse ways, including the movies of Brian de Palma and thrillers such as True Lies, The Silence of the Lambs, and Dead Again. Other essays look at genres that have been influenced by Hitchcock's work, including the 1970s paranoid thriller, the Italian giallo film, and the post-Psycho horror film. The remaining essays investigate developments within film culture and academic film study, including the enthusiasm of French New Wave filmmakers for Hitchcock's work, his influence on the filmic representation of violence in the post-studio Hollywood era, and the ways in which his films have become central texts for film theorists.
