

Windows Into The Bible Cultural And Historical Insights From The Bible For Modern Readers

Thank you very much for reading Windows Into The Bible Cultural And Historical Insights From The Bible For Modern Readers . As you may know, people have search numerous times for their favorite books like this Windows Into The Bible Cultural And Historical Insights From The Bible For Modern Readers, but end up in harmful downloads.

Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful virus inside their desktop computer.

Windows Into The Bible Cultural And Historical Insights From The Bible For Modern Readers is available in our book collection an online access to it is set as public so you can download it instantly.

Our digital library hosts in multiple countries, allowing you to get the most less latency time to download any of our books like this one.

Merely said, the Windows Into The Bible Cultural And Historical Insights From The Bible For Modern Readers is universally compatible with any devices to read

[A Short History of the New Testament](#) Halvor Moxnes 2014-10-10 Few documents in world history can match the inspirational impact of the New Testament. For all its variety - gospels, letters and visions - this first-century collection of texts keeps always at its centre the enigmatic figure of Joshua/Jesus: the Jewish prophet who gathered a group around him, proclaimed the imminent end of the world, but was made captive by the authorities of Rome only to suffer a shameful criminal's death on a cross. When his followers (including former persecutor Saul/Paul) became convinced that Jesus had defeated extinction, and had risen again to fresh life, the movement crossed over from Palestine to ignite the entire Graeco-Roman Mediterranean world. The author shows how the writings of this vibrant new faith came into being from oral transmission and then became the pillar of a great world religion. He explores their many varied usages in music, liturgy, art, language and literature. In discussing its textual origins, as well as its later reception, Moxnes shows above all how the New Testament has been employed both as a tool for liberation and as a means of power and control.

Symbol, Service, and Song J. Nathan Clayton 2021-11-09 In the Old Testament, the Levites stand as key ministry leaders for the worship of the people of God, from their origins with Moses and the tabernacle, to their service at the Jerusalem temple, to their roles in the postexilic period. This study proposes a multidimensional reading of the texts centered on the Levites in the Davidic narratives of 1 Chronicles 10–29.

From a literary point of view, the notion that the Levites are closely associated with the symbol of God's presence is explored. From a historical perspective, the roles of the Levites in expanding the service to God and his people is examined. And from a theological perspective, the means by which the Levites facilitate the song of God's people is studied. Overall, this work seeks to defend the idea that these texts contribute significantly to the rhetorical argumentation, the historiographic method, and the biblical-theological meaning of the canonical books of Chronicles generally, and of the Davidic narratives of 1 Chronicles 10–29 specifically, as they emphasize the central role played by proper Levitical worship leadership at the time of David and during the challenging situation of the Chronicler's Yehudite postexilic audience.

[Windows Into the Bible](#) Marc Turnage 2016-03-22 While many endeavor to help people read and study the Bible, few take seriously the four-dimensional approach necessary to understand God's revelation in time and space. These four aspects must be synthesized to answer the question, "What did the Bible mean?" They function like four lenses of a camera that, when pointed and focused on an object, are adjusted until the picture comes into focus. By looking through the spatial, historical, cultural, and spiritual lenses, people can step back into the world of the Bible, as best as they are able, and hear the message as its authors intended. They find themselves at the feet of Jesus, hearing Him as His original audience did. And once people enter into the world of the Bible, they can reenter their own world and answer the question, "What does this mean today?"

Scripturalectics Vincent L. Wimbush 2017-05-04 In this book ,Vincent Wimbush seeks to problematize what we call "scriptures," a word first used to refer simply to "things written," the registration of basic information. In the modern world the word came to be associated almost exclusively with the center- and power-defining "sacred" texts of "world religions." Wimbush argues that this narrowing of the valence of the term was a decisive development for western culture. His purpose is to reconsider the initially broad and politically charged use of the term. "Scriptures" are excavated not merely as texts to be read but understood as discourse: as mimetic rituals and practices, as ideologically-charged orientations to and prescribed behaviors in the world, as structures of relationships and social formations, as forms of communication. Wimbush is naming and constructing a new transdisciplinary critical project, which uses the historical and modern experiences of the Black Atlantic as resources for framing, categorization, and analysis. Using Chinua Achebe's novel Things Fall Apart as a touchstone, each chapter offers a close reading and analysis of a representative moment in the formation of the Black Atlantic, regarded as part of a history of modern human consciousness and conscientization. Such a history, Wimbush says, is reflected in the major turns in what he calls scripturalectics, part of the construction of the modern world, defined as efforts to manage or control knowledge and meaning.

Confronting the Past William G. Dever 2006 William G. Dever is recognized as the doyen of North American archaeologist-historians who work in the field of the ancient Levant. He is best known as the director of excavations at the site of Gezer but has worked at numerous other sites, and his many students have led dozens of other expeditions. He has been editor of the Bulletin of the American Schools of Oriental Research, was for many years professor in the influential archaeology program at the University of Arizona, and now in retirement continues actively to write and publish. In this volume, 46 of his colleagues and students contribute essays in his honor, reflecting the broad scope of his interests, particularly in terms of the historical implications of archaeology.

[Created Equal](#) Joshua A. Berman 2011-08-12 In Created Equal, Joshua Berman engages the text of the Hebrew Bible from a novel perspective, considering it as a document of social and political thought. He proposes that the Pentateuch can be read as the earliest prescription on record for the establishment of an egalitarian polity. What emerges is the blueprint for a society that would stand in stark contrast to the surrounding cultures of the ancient Near East -- Egypt, Mesopotamia, Ugarit, and the Hittite Empire - in which the hierarchical structure of the polity was centered on the figure of the king and his retinue. Berman shows that an egalitarian ideal is articulated in comprehensive fashion in the Pentateuch and is expressed in its theology, politics, economics, use of technologies of communication, and in its narrative literature. Throughout, he invokes parallels from the modern period as heuristic devices to illuminate ancient developments. Thus, for example, the constitutional principles in the Book of Deuteronomy are examined in the light of those espoused by Montesquieu, and the rise of the novel in 18th-century England serves to illuminate the advent of new modes of storytelling in biblical narrative.

Biblical Narratives, Archaeology and Historicity Emanuel Pfoh 2019-11-14 This volume collects essays from an international body of leading scholars in Old Testament studies, focused upon the key concepts of the question of historicity of biblical stories, the archaeology of Israel/Palestine during the Bronze and Iron Ages, and the nature of biblical narratives and related literature. As a celebration of the extensive body of Thomas L. Thompson's work, these essays enable a threefold perspective on biblical narratives. Beginning with 'method', the contributors discuss archaeology, cultural memory, epistemology, and sociology of knowledge, before moving to 'history, historiography and archaeology' and close analysis of the Qumran Writings, Josephus and biblical rewritings. Finally the argument turn to the narratives themselves, exploring topics including the possibility of invented myth, the genre of Judges and the depiction of Moses in the Qu'ran. Presenting an interdisciplinary analysis of the historical issues concerning ancient Israel/Palestine, this volume creates an updated body of reference to fifty years' worth of scholarship.

Philosophy and Practice in Writing a History of Ancient Israel Megan Bishop Moore 2009-07-01 An examination of current methodologies for writing Israel's history.

Understanding the Bible as a Scripture in History, Culture, and Religion James W. Watts 2021-04-27 UNDERSTANDING THE BIBLE AS A SCRIPTURE IN HISTORY, CULTURE, AND RELIGION The Bible is a popular subject of study and research, yet biblical studies gives little attention to the reason for its popularity: its religious role as a scripture. Understanding the Bible as a Scripture in History, Culture, and Religion integrates the history of the religious interpretation and ritual uses of biblical books into a survey of their rhetoric, composition, and theology in their ancient contexts. Emphasizing insights from comparative studies of different religious scriptures, it combines discussion of the Bible's origins with its cultural history into a coherent understanding of its past and present function as a scripture. A prominent expert on biblical rhetoric and the ritualization of books, James W. Watts describes how Jews and Christians ritualize the Bible by interpreting it, by expressing it in recitations, music, art, and film, and by venerating the physical scroll and book. The first two sections of the book are organized around the Torah and the Gospels—which have been the focus of Jewish and Christian ritualization of scriptures from ancient to modern times—and treat the history of other biblical books in relation to these two central blocks of the Hebrew Bible and New Testament. In addition to analyzing the semantic contents of all the Bible's books as persuasive rhetoric, Watts describes their ritualization in the iconic and expressive dimensions in the centuries since they began to function as a scripture, as well as in their origins in ancient Judaism and Christianity. The third section on the cultural history and scriptural function of modern bibles concludes by discussing their influence today and the controversies they have fueled about history, science, race, and gender. Innovative and insightful, Understanding the Bible as a Scripture in History, Culture, and Religion is a groundbreaking introduction to the study of the Bible as a scripture, and an ideal textbook for courses in biblical studies and comparative scripture studies.

Music in Biblical Life Jonathan L. Friedmann 2013-01-08 "This book explores the intricate and multifaceted nature of biblical music through a detailed look into four major episodes and genres. This investigation demonstrates how music helped shape and define the self-identity of ancient Israel"--Provided by publisher.

The Cambridge History of the Bible: Volume 2, The West from the Fathers to the Reformation Peter R. Ackroyd 1963 The study of the Bible in the West, from Jerome and the Fathers to the time of Erasmus.

[2006/2007](#) 2011-09-15 Die seit 1971 wieder erscheinende, interdisziplinäre, internationale Rezensionbibliographie IBR ist eine einmalige Informationsquelle. Critical Issues in Early Israelite History Richard S. Hess 2008-06-23 The origin of the Israelites is one of the most frequently discussed issues among archaeologists and biblical scholars. Only a few decades ago, biblical stories such as the Conquest were heralded as confirmed by archaeology. But in the 1970s, Thomas L. Thompson and John Van Seters were in the vanguard of a movement among scholars that was intent on reassessing the historical reliability of the biblical narratives. This reassessment gained momentum during the 1980s and 1990s; today, the mainstream opinion is that there was no Conquest, and the Israelites, if they can be identified as a national entity or as a people, did not arrive in Canaan by means of a military conquest. For three days in March 2004, a group of scholars met to consider the state of the question and to provide a response to the predominant academic skepticism, a response that considers the biblical text to be an important datum in the construction of the history of the people of Israel. To do so, the authors of the papers read at the conference take into account both biblical and extrabiblical literary evidence, as well as the contributions of archaeology, to describe as completely as possible what may be known about the early history of Israel. Critical Issues in Early Israelite History publishes the papers read at this conference in the hope that the result will be a balanced portrayal of this watershed event based on all of the currently available evidence.

Windows Into Old Testament History V. Philips Long 2002 A team of international authors builds a case for a positive appraisal of biblical Israel. Approaching the authenticity of Scripture from several angles--philosophical, archaeological, and literary--the contributors attack the issues involved in this controversial area.

Text and History Jens Bruun Kofoed 2005-06-23 During the past two or three decades, the value of the text of the Hebrew Bible as a testimony to the history of Israel has come under siege. As the date of the final form of the text has been pushed later and later, often into the Hellenistic era, the text has been devalued accordingly: what is "late" is viewed as having less value. At the same time, the connection between the text and extratextual information, particularly from archaeology, has been rendered less and less clear by both archaeological investigation itself and an increasing inability to connect text and artifact, or to do so compellingly. Some of the foremost scholars who have argued that the biblical text contributes little to historical research have come from Copenhagen. Now, from Copenhagen, Jens Bruun Kofoed steps forward to address the methodological issues that must lie behind the use of the biblical text and its validation as a source for historical information. In this volume, he sets out the methodological stepping stones necessary to an honest use of the biblical text and, through discussion of presuppositions underlying various methodologies and by evaluating specific test cases, shows (among other things) that "lateness" of the extant text by itself is not a charge that reduces the text's value as a source of historical information; that taking modern genre research and authorial intent into account opens new vistas for evaluating the historiographical reliability of ancient texts; and that a way forward from the current impasse is possible."

Reception History and Biblical Studies Emma England 2015-05-21 How do we begin to carry out such a vast task--the examination of three millennia of diverse uses and influences of the biblical texts? Where can the interested scholar find information on methods and techniques applicable to the many and varied ways in which these have happened? Through a series of examples of reception history practitioners at work and of their reflections this volume sets the agenda for biblical reception, as it begins to chart the near-infinite series of complex interpretive 'events' that have been generated by the journey of the biblical texts down through the centuries. The chapters consider aspects as diverse as political and economic factors, cultural location, the discipline of Biblical Studies, and the impact of scholarly preconceptions, upon reception history. Topics covered include biblical figures and concepts, contemporary music, paintings, children's Bibles, and interpreters as diverse as Calvin, Lenin, and Nick Cave.

NIVAC Bundle 1: Pentateuch John H. Walton 2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. To bring the ancient messages of the Bible into today's world, each passage is treated in three sections: Original Meaning. Concise exegesis to help readers understand the original meaning of the biblical text in its historical, literary, and cultural context. Bridging Contexts. A bridge between the world of the Bible and the world of today, built by discerning what is timeless in the timely pages of the Bible. Contemporary Significance. This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique, award-winning commentary is the ideal resource for today's preachers, teachers, and serious students of the Bible, giving them the tools, ideas, and insights they need to communicate God's Word with the same powerful impact it had when it was first written.

Abraham Geiger's Liberal Judaism Ken Koltun-Fromm 2006-07-13 German rabbi, scholar, and theologian Abraham Geiger (1810--1874) is recognized as the principal leader of the Reform movement in German Judaism. In his new work, Ken Koltun-Fromm argues that for Geiger personal meaning in religion -- rather than rote ritual practice or acceptance of dogma -- was the key to religion's moral authority. In five chapters, the book explores issues central to Geiger's work that speak to contemporary Jewish practice -- historical memory, biblical interpretation, ritual and gender practices, rabbinic authority, and Jewish education. This is essential reading for scholars, rabbis, rabbinical students, and informed Jewish readers interested in Conservative and Reform Judaism. Published with the generous support of the Lucius N. Littauer Foundation.

Dictionary of Daily Life in Biblical & Post-Biblical Antiquity: Literacy Edwin M. Yamauchi 2022-05-17 This unique reference article, excerpted from the larger work (Dictionary of Daily Life in Biblical and Post-Biblical Antiquity), provides background cultural and technical information on the world of the Hebrew Bible and New Testament from 2000 BC to approximately AD 600. Written and edited by a world-class

historian and a highly respected biblical scholar, each article addresses cultural, technical, and/or sociological issues of interest to the study of the Scriptures. Contains a high level of scholarship. Information and concepts are explained in detail and are accompanied by bibliographic material for further exploration. Useful for scholars, pastors, teachers, and students—for biblical study, exegesis, or sermon preparation. Possible areas covered include details of domestic life, technology, culture, laws, or religious practices. Each article ranges from 5 to 20 pages in length. For the complete contents of Dictionary of Daily Life in Biblical and Post-Biblical Antiquity, see ISBN 9781619708617 (4-volume set) or ISBN 9781619701458 (complete in one volume).

Grasping God's Word, Fourth Edition J. Scott Duvall 2020-10-13 A Proven Approach to Help You Interpret and Understand the Bible Grasping God's Word has proven itself in classrooms across the country as an invaluable help to students who want to learn how to read, interpret, and apply the Bible for themselves. This book will equip you with a five-step Interpretive Journey that will help you make sense of any passage in the Bible. It will also guide you through all the different genres found in the Bible to help you learn the specifics of how to best approach each one. Filling the gap between approaches that are too simple and others that are too technical, this book starts by equipping readers with general principles of interpretation, then moves on to apply those principles to specific genres and contexts. Features include: Proven in classrooms across the country Hands-on exercises to guide students through the interpretation process Emphasis on real-life application Supplemented by a website for professors providing extensive teaching materials Accompanying workbook, video lectures, laminated study guide (sold separately) This fourth edition includes revised chapters on word studies and Bible translations, updated illustrations, cultural references, bibliography, and assignments. This book is the ideal resource for anyone looking for a step-by-step guide that will teach them how to accurately and faithfully interpret the Bible.

Dictionary of the Old Testament: Historical books BILL T ARNOLD 2020-05-21 The 'Dictionary of the Old Testament: Historical Books' is the second volume in IVP's Old Testament dictionary series. This volume picks up where the 'Dictionary of the Old Testament: Pentateuch' left off - with Joshua and Israel poised to enter the land - and carries us through the postexilic period. Following in the tradition of the four award-winning IVP dictionaries focused on the New Testament, this encyclopedic work is characterized by in-depth articles focused on key topics, many of them written by noted experts. The history of Israel forms the skeletal structure of the Old Testament. Understanding this history and the biblical books that trace it is essential to comprehending the Bible. The 'Dictionary of the Old Testament: Historical Books' is the only reference book focused exclusively on these biblical books and the history of Israel.

Coming to Grips With Genesis Dr. Terry Mortenson 2008-10-01 Fourteen theological scholars address key topics related to the age of the earth, which is the crucial issue of debate in the church today regarding origins. Bringing to bear rigorous biblical, theological, and historical arguments in favor of a six-day creation, the global Flood, and a young earth, they also provide much-needed critiques of a number of contemporary old-earth interpretations of the book of Genesis. This fresh defense of the literal history of Genesis 1-11 nicely complements other studies which focus more on the scientific evidence of young-earth creationism. As such, this book can serve as a versatile supplement to other works, but is also designed to be used as a standalone text for seminary and Bible college professors and students, pastors, missionaries, and others who want in-depth apologetic resources. Coming to Grips with Genesis: Biblical Authority and the Age of the Earth includes: Forewords by Dr. John MacArthur, President of the Master's Seminary and Senior Pastor of Grace Community Church, Sun Valley, CA; and the late Dr. Henry Morris, Founder and President Emeritus, Institute for Creation Research Detailed analysis of the verbs of Genesis 1 A defense of the Genesis 5 & 11 genealogies as strict chronologies Reasons for rejecting millions of years of death and natural evil before Adam's sin Careful reflection on Jesus' teachings regarding a young earth

Biblical History and Israel's Past Megan Bishop Moore 2011-05-17 Although scholars have for centuries primarily been interested in using the study of ancient Israel to explain, illuminate, and clarify the biblical story, Megan Bishop Moore and Brad E. Kelle describe how scholars today seek more and more to tell the story of the past on its own terms, drawing from both biblical and extrabiblical sources to illuminate ancient Israel and its neighbors without privileging the biblical perspective. Biblical History and Israel's Past provides a comprehensive survey of how study of the Old Testament and the history of Israel has changed since the middle of the twentieth century. Moore and Kelle discuss significant trends in scholarship, trace the development of ideas since the 1970s, and summarize major scholars, viewpoints, issues, and developments.

Genesis John H. Walton 2011-01-04 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. To bring the ancient messages of the Bible into today's world, each passage is treated in three sections: Original Meaning. Concise exegesis to help readers understand the original meaning of the biblical text in its historical, literary, and cultural context. Bridging Contexts. A bridge between the world of the Bible and the world of today, built by discerning what is timeless in the timely pages of the Bible. Contemporary Significance. This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique, award-winning commentary is the ideal resource for today's preachers, teachers, and serious students of the Bible, giving them the tools, ideas, and insights they need to communicate God's Word with the same powerful impact it had when it was first written.

Windows Into the Bible Marc Turnage 2016-03-22 To get the full benefit of reading the Bible, you need to understand (1) spatial and geographical features that shape the text, (2) the history of the Jewish people, (3) the Israelite and Greco-Roman cultures, and (4) the religious beliefs of the ancient writers. As Marc Turnage takes you on a virtual tour of the Holy Lands, you'll see Bible events in a fresh new way.

A key to dutch history F. van Oostrum 2011-09-11 Many people know the stories behind the tulip mania in the 17th century and the legacy of the Dutch East India Company, but what basic knowledge of Dutch history and culture should be passed on to future generations? A Key to Dutch History and its resulting overview of historical highlights, assembled by a number of specialists in consultation with the Dutch general public, provides a thought-provoking and timely answer. The democratic process behind the volume is reminiscent of the way in which the Netherlands has succeeded for centuries at collective craftsmanship, and says as much about the Netherlands as does the outcome of the opinions voiced. The Cultural Canon of the Netherlands consists of a list of fifty topics from Dutch culture and history, varying from the megalithic tombs in the province of Drenthe and Willem of Orange to the Dutch constitution and the vast natural gas field in the province of Groningen. These fifty topics act as a framework for understanding and even studying Dutch culture and history. The canon should lead to further understanding and deepening of our knowledge of our past and act as an inspirational source for pupils, students and the public at large.

The Moral Meaning of Nature Peter J. Woodford 2018-03-28 What, if anything, does biological evolution tell us about the nature of religion, ethical values, or even the meaning and purpose of life? The Moral Meaning of Nature sheds new light on these enduring questions by examining the significance of an earlier—and unjustly neglected—discussion of Darwin in late nineteenth-century Germany. We start with Friedrich Nietzsche, whose writings staged one of the first confrontations with the Christian tradition using the resources of Darwinian thought. The lebensphilosophie, or "life-philosophy," that arose from his engagement with evolutionary ideas drew responses from other influential thinkers, including Franz Overbeck, Georg Simmel, and Heinrich Rickert. These critics all offered cogent challenges to Nietzsche's appropriation of the newly transforming biological sciences, his negotiation between science and religion, and his interpretation of the implications of Darwinian thought. They also each proposed alternative ways of making sense of Nietzsche's unique question concerning the meaning of biological evolution "for life." At the heart of the discussion were debates about the relation of facts and values, the place of divine purpose in the understanding of nonhuman and human agency, the concept of life, and the question of whether the sciences could offer resources to satisfy the human urge to discover sources of value in biological processes. The Moral Meaning of Nature focuses on the historical background of these questions, exposing the complex ways in which they recur in contemporary philosophical debate.

Christian Apologetics Douglas Groothuis 2022-02-08 The Christian faith offers people hope. But how can we know that Christianity is true? How can Christians confidently present their beliefs in the face of doubts and competing views? In this second edition of a landmark apologetics text, Douglas Groothuis makes a clear and rigorous case for Christian theism, addressing the most common questions and objections raised regarding Christianity.

The Lives of Ordinary People in Ancient Israel William G. Dever 2012-04-20 "In this book William Dever addresses the question that must guide every good historian of ancient Israel: What was life really like in those days? Writing as an expert archaeologist who is also a secular humanist, Dever relies on archaeological data, over and above the Hebrew Bible, for primary source material. He focuses on the lives of ordinary people in the eighth century B.C.E. - not kings, priests, or prophets - people who left behind rich troves of archaeological information but who are practically invisible in "typical" histories of ancient Israel."--Résumé de l'éditeur.

Exploring the Composition of the Pentateuch L. S. Baker Jr. 2020-12-11 For many years, the historical-critical quest for a reconstruction of the origin(s) and development of the Pentateuch or Hexateuch has been dominated by the documentary hypothesis, the heuristic power of which has produced a consensus so strong that an interpreter who did not operate within its framework was hardly regarded as a scholar. However, the relentless march of research on this topic has continued to yield new and refined analyses, data, methodological tools, and criticism. In this spirit, the contributions to this volume investigate new ideas about the composition of the Pentateuch arising from careful analysis of the biblical text against its ancient Near Eastern background. Covering a wide spectrum of topics and diverging perspectives, the chapters in this book are grouped into two parts. The first is primarily concerned with the history of scholarship and alternative approaches to the development of the Pentateuch. The second focuses on the exegesis of particular texts relevant to the composition of the Torah. The aim of the project is to foster investigation and collegial dialogue in a spirit of humility and frankness, without imposing uniformity. In addition to the editors, the contributors include Tiago Arrais, Richard E. Averbeck, John S. Bergsma, Joshua A. Berman, Daniel I. Block, Richard Davidson, Roy E. Gane, Duane A. Garrett, Richard S. Hess, Benjamin Kilchör, Michael LeFebvre, Ji?i Moskala, and Christian Vogel.

Sodomy Michael Carden 2014-12-18 The biblical narrative of Sodom and Gomorrah has served as an archetypal story of divine antipathy towards same sex love and desire. 'Sodomy' offers a study of the reception of this story in Christian and Jewish traditions from antiquity to the Reformation. The book argues that the homophobic interpretation of Sodom and Gomorrah is a Christian invention which emerged in the first few centuries of the Christian era. The Jewish tradition - in which Sodom and Gomorrah are associated primarily with inhospitality, xenophobia and abuse of the poor - presents a very different picture. The book will be of interest to students and scholars seeking a fresh perspective on biblical approaches to sexuality.

"See, I will bring a scroll recounting what befell me" (Ps 40:8) Esther Eshel 2014-07-16 In January 2011, the David and Jemima Jeselsohn Epigraphic Center for Jewish History held its second international conference at Bar-Ilan University, dedicated to the memory of Professor Hanan Eshel, the founding academic director of the center who passed away on April 8th, 2010. This collection of articles, traces, when taken together, daily life in the land of Israel from the First Temple Period through the time of the Talmud, as seen in the various types of inscriptions from those periods that have been discovered and published. Schiffman's summary of Hanan's work serves as an introduction to the book. A?ituv discusses the language and religious outlook of the Kuntilet 'Ajrud inscriptions. Mazar and A?ituv survey the quite large corpus of short inscriptions found in Mazar's excavation of Tel Re?ov, south of Beth-Shean. Maeir and Eshel deal with four very short more-or-less contemporary inscriptions found at Tell es-Safi, identified as the major Philistine city of Gath. Demsky deals with the theoretical aspects of literacy in ancient Israel. Grabbe discusses the functions of the scribe during the Second Temple Period. Zissu, Langford, Ecker and Eshel report on both an Aramaic-language graffito and a Latin one, inscribed on the wall of a first and 2nd century CE oil press from of Khirbet 'Arāk Hāla in the Judean Shephelah. Rappaport's survey of Jewish coins from the Persian Period through the Bar-Kokhba Revolt, focusing on the Hasmonean coins. Amit describes a group of bread stamps and oil seals, in Hebrew, Aramaic, Greek and Latin, found in different parts of the country. Klein and Mamalya describe two Byzantine Period Nabatean Christian burial sites and their epitaphs.

Evidence That Demands a Verdict Josh McDowell 2017-10-03 Equip yourself to present and defend the claims of the Christian faith. The truth of the Bible doesn't change, but its critics do. Now with his son Sean McDowell, Josh McDowell has updated and expanded the modern apologetics classic for a new generation. Evidence That Demands a Verdict provides expansive defense of Christianity's core truths and thoughtful responses to the Bible's most difficult and extraordinary passages. It invites readers to bring their doubts and doesn't shy away from the tough questions. Topics and questions are covered in four parts: Evidence for the Bible Evidence for Jesus Evidence for the Old Testament Evidence for Truth Serving as a go-to reference for even the toughest questions, Evidence that Demands a Verdict continues to encourage and strengthen millions by providing Christians the answers they need to defend their faith against the harshest critics and skeptics. Evidence That Demands a Verdict was the winner of the 2018 ECPA Christian Book award for Bible Reference Works.

Genesis 11:27-50:26 K. A. Mathews 2005 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text.

Encyclopedia of Glass Science, Technology, History, and Culture Two Volume Set Pascal Richet 2021-02-05 This Encyclopedia begins with an introduction summarizing its scope and content. Glassmaking; Structure of Glass, GlassPhysics,Transport Properties, Chemistry of Glass, Glass and Light,Inorganic Glass Families, Organic Glasses, Glass and theEnvironment, Historical and Economical Aspect of Glassmaking,History of Glass, Glass and Art, and outlinepossible newdevelopments and uses as presented by the best known people in thefield (C.A. Angell, for example). Sections and chapters arearranged in a logical order to ensure overall consistency and avoiduseless repetitions. All sections are introduced by a briefintroduction and attractive illustration. Newly investigatedtopics will be addresses, with the goal of ensuring that thisEncyclopedia remains a reference work for years to come.

SWM/SIS at Forty Charles H. Kraft 2005 Seldom are we able to listen to the story of a school that has so greatly impacted world mission. As we contemplated how to record the first forty years of the School of World Mission, now School of Intercultural Studies, it was obvious that the best way was to capture the memory of one who lived it. While many of our faculty can claim deep root in the school, no one compares to Chuck Kraft who, apart from the first four years, has been a vital part of every development. - C. Douglas McConnell, Dean, School of Intercultural Studies"

Grasping God's Word J. Scott Duvall 2012-05-08 Grasping God's Word has proven itself in classrooms across the country as an invaluable help to students who want to learn how to read, interpret, and apply the Bible for themselves. The third edition, revised based on feedback from professors, will continue to serve college-level students and lay learners well in their quest to gain a firm grasp on the rock of God's word. Old Testament scholar J. Daniel Hays and New Testament expert J. Scott Duvall provide practical, hands-on exercises to guide students through the interpretive process. To emphasize the Bible's redemptive arc and encourage correlation across the biblical canon, the authors have included a call to "Consult the biblical map. How does a theological principle fit with the rest of the Bible?" as an additional step in the Interpretive Journey. This edition has also been rearranged for clarity and includes updated illustrations, appendices, bibliography, and assignments. A robust suite of learning aids is available for purchase to be used alongside the textbook to help students excel in their studies. These include a workbook, video lectures for each chapter featuring the authors, and a laminated quick study sheet with key concepts from the book.

Hebrew Bible / Old Testament: The History of Its Interpretation Magne Sæbø 2008-01-23 Dieser Band setzt das große internationale Standardwerk zur Rezeption der Hebräischen Bibel/des Alten Testaments, das christliche und jüdische Fachleute aus der ganzen Welt vereint, fort. Es stellt die alttestamentliche Exegese von den Anfängen innerbiblischer Schriftdeutung bis zur gegenwärtigen Forschung umfassend dar. Dieser Band widmet sich der Zeitspanne zwischen Renaissance und Aufklärung (1300–1800).

Old Testament Today, 2nd Edition John H. Walton 2014-02-11 This proven Old Testament text with a wealth of full-color images helps readers connect the world of Old Testament with today's world. This text is unique among Old Testament surveys. It not only provides an orientation to the world of the Old Testament but also builds a bridge between the original audience and modern readers, demonstrating why the ancient message is important for faith and life today. It goes beyond basic content to help students understand what the Scriptures mean and how to apply them personally. Taking readers progressively through the Old Testament, this text: Presents the details of the content, focusing on the story line, historical background, and literary information that address the original setting and audience. Focuses on theology perspectives and on issues of the author's purpose and the universal message of the text, building a bridge between the original audience and today's audience. Develops an understanding of the relevance of the Old Testament writings to today's Christian, showing how they can be applied in personal faith and practice. The image-rich full-color design gives Old Testament Today a strong visual appeal. A wide array of

charts, sidebars, illustrations, photos, and supplemental materials complement the body of the text, helping students to easily comprehend the literature, theology, and history of the Old Testament. This newly revised edition is organized by book, includes a new structure that more clearly describes the content, and introduces each book.

The Hebrew Bible Reborn: From Holy Scripture to the Book of Books Yaacov Shavit 2007-01-01 This work, the first of its kind, describes all the aspects of the Bible revolution in Jewish history in the last two hundred years, as well as the emergence of the new biblical culture. It describes the circumstances and processes that turned Holy Scripture into the Book of Books and into the history of the biblical period and of the Jewish people. It deals with the encounter of the Jews with modern biblical criticism, the archaeological research of the Ancient Near East, with contemporary archaeology, the Bible-Babel polemic at the start of the twentieth century, and the use of the bible as a "guide to life" in education, culture and politics.
